***No HST on all other Gibson Acoustic models!***

**Full disclosure:** I love Gibson acoustic guitars. My first “real guitar” was a Gibson LG 2 back in 1965. I love the historic look, feel and sound of a Gibson...everything about them. I’ve managed to arrange Montana factory tours for most of our staff and we keep a good selection of Gibson acoustics on hand, both new and vintage guitars, at all times. We have also been fortunate in getting Gibson to build a number of special order models for us.” - *Grant*

## **GIBSON ELECTRICS: *No HST on all Gibson Electrics!***

# BANJOS

The Twelfth Fret one of 5 “Deering Master Dealers” in the world. We stock Deering, Tenbrooks, Vega, and Goodtime banjos with over 40 Deering models in stock. We also carry banjos by Wildwood, Nechville, Stelling and GoldTone banjos.

We specialize in Banjo restoration, setup and service: Each and every banjo we sell includes a full setup, proper head-tension tuning and capo spikes installed as needed.

**Free Follow-up Setup & Service On All Banjos! New or Used, For One Year!**

## DEERING BANJOS

Deering builds more banjos than all other North American makers combined. They are by far the most commonly used professional banjo.

*Our banjos are setup with standard action at 5/64 and head tension tuned to G#. Additional setup and capo spikes installed at **no extra charge**.*

### Deering Vega Bluegrass-Senator Banjo –

Custom built for The Twelfth Fret, this model adds a resonator back to the famous Vega Senator model. This back adds the snap and power needed for Bluegrass but without the heavy weight of a standard bluegrass banjo. The lightweight spun-brass ring offers a tone and voice very similar to the famous John Hartford model but at roughly 1/3 of the price.

**\$1789.** \*Plus HST (Reg. \$2189 W/CASE) - SAVE \$400!

### **Deering Goodtime Banjos**

The “Goodtime” experiment began 25 years ago as a way to offer a fully US-made banjo for a low “off-shore” price. The experiment blossomed into a diverse selection of innovative banjos that look and sound great. The quality of the Goodtime Banjos far exceeds the quality of the “off-shore” competitors. Plus, all Goodtime banjos come with a 6-year warranty.

### Goodtime Americana 12” Open Back Banjo

In early days, 12” banjos were common and Old-time players love them for their rich, fat tone. This new 12” version of their famous Goodtime banjo has been a huge hit with clawhammer players. The lovely warm tone is further enhanced by the Renaissance head used on this model.

**\$619.** \*Plus HST (Reg. \$669) - SAVE \$50!

**Goodtime Six; Six-String Banjo** - If you can play guitar...now you can play banjo... instantly! Deering has issued this new steel-string, open-back banjo for guitar players.

**\$699.** \*Plus HST (Reg. \$769) - SAVE **\$80!**

## **Gold Tone Banjos**

Gold Tone banjo components are made in China and assembled in Titusville, Florida. Their Florida-based assembly shop gives GoldTone an extra level of quality and complete control over model design. *GoldTone's imaginative variety of banjo models is unparalleled in the banjo world.*

### **Gold Tone WL-250 Open Back - White Ladye tone ring: Classic historic-style, old-time banjo:**

Brass tone ring as used in Fairbanks banjos over a century ago. All figured maple banjo. Abalone cloud inlays. Deluxe hardshell case.

**\$989.** \*Plus HST (Reg. \$1389) - SAVE **\$400!**
